DISTILLERY HAPPENINGS

BARDENAY COFFEE LIQUEUR!

We're excited to introduce the latest addition to our spirits: Bardenay Coffee Liqueur! One of our talented distillers, Ashley Oe, has put in the work to craft the perfect blend, and we're thrilled to finally share it with you!

This liqueur is made by infusing our house-made rectified neutral spirit with vanilla beans for two months. We then combine this infusion with our cold-pressed signature Bardenay blend of coffee by DOMA. A touch of sugar is added before we filter it to create a smooth, velvety coffee liqueur that's rich in flavor and perfectly balanced.
